| Booked an airline ticket (on a commercial airline) in the past 12 months         | Yes             |
| Likely to book an airline ticket (on a commercial airline) in the next 12 months | Yes             |
| Aware of <b>Skiplagged</b> before survey   | Yes             |
| Ever used <b>Skiplagged</b> before survey  | Yes             |

**How would you describe the offering on this website to a friend?**

*Well that it's going to be a good flight and it's going to be a good way for me and my friend to be able to travel together also it's cheaper for us to book online.*

*Well we can share a ticket together for third party and be able to travel some closer to a different destination that is relaxing and not a bad or disagreement.*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*Yes, it has a business connection or association with another company*

**Which other company does the company operating this website have a business connection or association with?**

*American Airlines.*

*Well because it's a good way to be able to travel and it's a good and better way to have good benefits and stay on a budget.*

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*Yes, it requires permission or authorization from another company*

*If "Yes" to requires permission or authorization from any other company*

**From which company is permission or authorization required?**

*Well it can also be the rules of regulation for this flight and also can be able to know about the plane process.*

*Don't know*

**For what do they need to get permission or authorization?**

*Well that can get permission from the head up of there company to be able to explain the rules and instructions for this flight.*

*Well because so that I can be able to learn and know about the rules and guidelines.*

**What do you believe is the relationship between Skiplagged and the airline?**

*Skiplagged is an authorized agent of the airline*

*Well because so that can check to see if we have the right items for us to go through the scanner.*

Based on your understanding of the Skiplagged offerings, please select the option you believe is correct.

|  |  |
|--|--|
| <b>Relative Expense</b><br><i>Buying tickets through Skiplagged is not cheaper than buying directly from the airline</i> | <i>Well because some of the tickets are but then again you still got to still pay for the fee for the food and the travel.</i> |
| <b>Additional Fees</b><br><i>Skiplagged charges an additional fee on top of the airline's total ticket cost.</i>         | <i>Well because they already charged fees anyway and they can be able to know that we are looking forward on going.</i>        |

*If respondent believes additional fees are added*

|  |                   |
|--|-------------------|

| Ever used <b>Skiplagged</b> before survey  |                 |

**How would you describe the offering on this website to a friend?**

*A website that details the departing flight, the amount of bags you're allowed to take, any and all restrictions, and the total cost of the flight.*

*I find it strange that the website mentioned that you're only allowed a backpack on the flight, and if you bring any other bags, that they could end up in Nashville.*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*Don't know*

**Which other company does the company operating this website have a business connection or association with?**

-----  
-----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*No, it does not require permission or authorization from another company*

*If "Yes" to requires permission or authorization from any other company*

|  |
|--|
| <b>From which company is permission or authorization required?</b><br>-----<br>-----<br><br><b>For what do they need to get permission or authorization?</b><br>-----<br>----- |
|--|

**What do you believe is the relationship between Skiplagged and the airline?**

*Skiplagged is not an authorized agent of the airline*

*I did not see any verifiable information that led me to believe that Skiplagged is the authorized agent of the airline.*

Based on your understanding of the Skiplagged offerings, please select the option you believe is correct.

|  |   |
|--|---|
| <b>Relative Expense</b><br><i>Buying tickets through Skiplagged is cheaper than buying directly from the airline</i> | <i>The website page detailed that you are saving considerable amount of money by booking through them, and the discounts are associated with your luggage, or lack thereof.</i> |
| <b>Additional Fees</b><br><i>Skiplagged charges an additional fee on top of the airline's total ticket cost.</i>     | <i>Skiplagged indicated that there was a service fee associated with the purchase, as indicated by the final page, where the total amount was calculated.</i>                   |

*If respondent believes additional fees are added*

|  |  |
|--|--|
| <b>Reasonable Charge</b><br><i>I believe the fee Skiplagged charges for its services is not reasonable</i> | <i>I feel that indicating what type of bag you can bring with you on the flight was odd, especially indicating that if you bring any other pieces of luggage, that it could end up in Nashville.</i> |

**How would you describe the offering on this website to a friend?**

*I would tell them that it's a website that finds deals you might not otherwise by eliminating a second leg of a flight that you don't need.*

*I would explain that it could cause issues.*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*No, it does not have a business connection or association with another company*

**Which other company does the company operating this website have a business connection or association with?**

----

----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*Yes, it requires permission or authorization from another company*

*If "Yes" to requires permission or authorization from any other company*

**From which company is permission or authorization required?**

*The flight company*

*They need to issue the ticket*

**For what do they need to get permission or authorization?**

*To issue the ticket*

*Because you need to fly*

**What do you believe is the relationship between Skiplagged and the airline?**

*Skiplagged is not an authorized agent of the airline*

*They're actually doing something against airline policy*

Based on your understanding of the Skiplagged offerings, please select the option you believe is correct.

|  |  |
|--|--|
| <b>Relative Expense</b><br><i>Buying tickets through Skiplagged is cheaper than buying directly from the airline</i> | <i>It looks for deals generally not available/viewable to the public</i> |
| <b>Additional Fees</b><br><i>Skiplagged charges an additional fee on top of the airline's total ticket cost.</i>     | <i>There was a fee present</i>   |

*If respondent believes additional fees are added*

|  |  |
|--|--|
| <b>Reasonable Charge</b><br><i>I believe the fee Skiplagged charges for its services is not reasonable</i> | <i>I'm not sure. I get the fee, but also think that 3rd party booking can be challenging and especially as airlines don't like this policy</i> |
|--|--|

|  |   |
|--|---|
| <b>Authorized Agent with Additional Fare Access</b><br><i>Skiplagged is not an authorized travel agency and does not have access to fares I could access via the airline</i> | <i>Airlines don't want to have this service</i>   |
| <b>Ticket Validity</b><br><i>A ticket bought through Skiplagged is a valid ticket</i>  | <i>It is valid, but you run the risk of future cancellations of flights</i>                                 |
| <b>Associated Risk</b><br><i>The option offered by Skiplagged carries risks</i>  | <i>The airlines don't want you doing this practice<br/>Your future tickets get canceled.<br/>Don't know</i> |

**Reflecting on the Skiplagged offering and everything you know about them how do you feel about buying your next airline ticket from them?**

*I'm concerned. It would have to really be a significant cost savings with an airline you don't fly that often.*

**Comparing the results you got from Skiplagged and from the American Airlines website, how do you feel about the Skiplagged offering?**

*I'd be interested if the situation was right and the cost savings large*

*Don't know*

**How likely would you be to consider buying your next airline ticket from Skiplagged?**

*May or may not consider buying my next airline tickets from Skiplagged*

*The cost savings would have to be substantial*

*Don't know*

**How would you describe the offering on this website to a friend?**

A 6:30 PM flight for \$140 pretty darn good price if I

----

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

No, it does not have a business connection or association with another company

**Which other company does the company operating this website have a business connection or association with?**

----

----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

No, it does not require permission or authorization from another company

If "Yes" to requires permission or authorization from any other company

**From which company is permission or authorization required?**

----

----

**For what do they need to get permission or authorization?**

----

----

**What do you believe is the relationship between Expedia and the airline?**

Expedia is an authorized agent of the airline

The airline offers a certain amount of tickets to the company at a reduced rate for the company to sell

Based on your understanding of the Expedia offerings, please select the option you believe is correct.

|   |   |
|---|---|
| <b>Relative Expense</b><br><i>Buying tickets through Expedia is cheaper than buying directly from the airline</i>     | <i>Because it literally is</i>  |

| Booked an airline ticket (on a commercial airline) in the past 12 months         | Yes             |
| Likely to book an airline ticket (on a commercial airline) in the next 12 months | Yes             |
| Aware of <b>Expedia</b> before survey  | Yes             |
| Ever used <b>Expedia</b> before survey   | Yes             |

**How would you describe the offering on this website to a friend?**

*I would say it is a one-way direct flight from Philadelphia to San Francisco, for around \$140 for one person. It is pretty clear where the flight originates from, and the pricing. People just need to make sure they understand it is one way.*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*No, it does not have a business connection or association with another company*

**Which other company does the company operating this website have a business connection or association with?**

-----  
-----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*No, it does not require permission or authorization from another company*

*If "Yes" to requires permission or authorization from any other company*

**From which company is permission or authorization required?**

-----  
-----

**For what do they need to get permission or authorization?**

-----  
-----

**What do you believe is the relationship between Expedia and the airline?**

*Expedia is not an authorized agent of the airline*

*I feel like Expedia is not an authorized agent, but rather some sort of a broker.*

Based on your understanding of the Expedia offerings, please select the option you believe is correct.

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*Don't know*

*If "Yes" to requires permission or authorization from any other company*

|  |
|--|
| <b>From which company is permission or authorization required?</b><br>----<br>----<br><br><b>For what do they need to get permission or authorization?</b><br>----<br>---- |
|--|

**What do you believe is the relationship between Expedia and the airline?**

*Expedia is not an authorized agent of the airline*

*I don't think they are and authorized agent I think they are more considered third party booking. The have the same relationship a regular travel agent would have they just share all of there rates from different arlines on the same interface*

Based on your understanding of the Expedia offerings, please select the option you believe is correct.

|   |  |
|---|--|
| <b>Relative Expense</b><br><i>Buying tickets through Expedia is not cheaper than buying directly from the airline</i> | <i>I don't think it's cheaper than buying through the airline I think they put together routes the airline already offers the cheapest way possible.</i> |

**How would you describe the offering on this website to a friend?**

*It offers what seems to be fairly priced flights at different times, rates, and classifies them as either non-stop or connections. the tickets can be purchased on this website  
a website (not affiliated with a specific airline) selling tickets based on destination, not airline*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*Don't know*

**Which other company does the company operating this website have a business connection or association with?**

-----  
-----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*Yes, it requires permission or authorization from another company*

*If "Yes" to requires permission or authorization from any other company*

**From which company is permission or authorization required?**

*the airlines it sells tickets for  
airline tickets can't be found on a sight like ticketmaster, but they're not resale items. these websites must get permission to sell their goods directly from these airlines*

**For what do they need to get permission or authorization?**

*as i already mentioned, plane tickets aren't resale items.  
i've explained this in the last question*

**What do you believe is the relationship between Expedia and the airline?**

*Expedia is an authorized agent of the airline  
already answered*

Based on your understanding of the Expedia offerings, please select the option you believe is correct.

|   |   |
|---|---|

**How would you describe the offering on this website to a friend?**

*There is this website that makes it really easy to choose your flights*

*The website also shows all of the upfront charges*

**Does the company that operates this website have a business connection or association with another company, or do you not know?**

*No, it does not have a business connection or association with another company*

**Which other company does the company operating this website have a business connection or association with?**

----

----

**Does the company that operates this website require permission or authorization from any other company, or do you not know?**

*Don't know*

*If "Yes" to requires permission or authorization from any other company*

**From which company is permission or authorization required?**

----

----

**For what do they need to get permission or authorization?**

----

----

**What do you believe is the relationship between Skiplagged and the airline?**

*Skiplagged is not an authorized agent of the airline*

*The company ship lagged offers more than one carrier*

Based on your understanding of the Skiplagged offerings, please select the option you believe is correct.

|  |  |
|--|--|
| <b>Relative Expense</b><br><i>Buying tickets through Skiplagged is cheaper than buying directly from the airline</i> | <i>From what I believe most of these websites that feature flights hotels and rooms offer the prices that are less expensive</i> |
| <b>Additional Fees</b><br><i>Skiplagged charges an additional fee on top of the airline's total ticket cost.</i>     | <i>There is a line item that shows the \$10 service fee</i>  |

*If respondent believes additional fees are added*

|  |  |
|--|--|
| <b>Reasonable Charge</b><br><i>I believe the fee Skiplagged charges for its services is reasonable</i> | <i>The \$10 feed at this website charges is quite reasonable</i> |
|--|--|

|   |  |
|---|--|
| <b>Authorized Agent with Additional Fare Access</b><br><i>Skiplagged is an authorized travel agency with access to fares I could not access via the airline</i> | <i>I believe this website searches all of the major airlines to find the best possible price</i>   |
| <b>Ticket Validity</b><br><i>A ticket bought through Skiplagged is a valid ticket</i>   | <i>I believe that a ticket purchased through this company is a valid ticket as with many of the other companies that do the same service</i>       |
| <b>Associated Risk</b><br><i>The option offered by Skiplagged carries no risk</i>   | <i>I believe the offerings that this website has carries little to no risk as with the other sites that offer the same service</i><br>----<br>---- |

**Reflecting on the Skiplagged offering and everything you know about them how do you feel about buying your next airline ticket from them?**

*Not sure if I would purchase using this website, but I will definitely check them out for my next ticket to purchase*

*I believe the offerings on this website are in comparison to other websites that offer the same service*

**Comparing the results you got from Skiplagged and from the American Airlines website, how do you feel about the Skiplagged offering?**

*It appears that ship lagged is offering the same price as American Airlines. I feel there is no benefit to using this website*

*Don't know*

**How likely would you be to consider buying your next airline ticket from Skiplagged?**

*May or may not consider buying my next airline tickets from Skiplagged*

*If by using this website, I don't really save any money then I don't feel that it's worth my time or effort to use this website*

*Don't know*

**Reflecting on the Skiplagged offering and everything you know about them how do you feel about buying your next airline ticket from them?**

*Reflecting on the offering and what I saw in the images, I will definitely visit the skip lagged website to purchase an airline ticket*

*Don't know*

**Comparing the results you got from Skiplagged and from the American Airlines website, how do you feel about the Skiplagged offering?**

*It looks like skiplagged are charging an extra 10 on top of the flight as a finder's fee.*

*This would still be fine the \$10 is fine due to the convenience of being able to simply visit the website*

**How likely would you be to consider buying your next airline ticket from Skiplagged?**

*Definitely would consider buying my next airline tickets from Skiplagged*

*Because 10 dollars is not much on top to pay for the convenience of using skiplagged*

*Don't know*
